

BARBARA PIZZI

ARCHITECTURE AND DESIGN

This is **Architect Barbara Pizzi**. It is a great pleasure to have the opportunity to introducing myself and my brand. I am the owner of Architecture and Design Studio Barbara Pizzi mainly based in Italy and in United Arab Emirates. Thank you in advance for your attention.

The studio is made up of estimated professionals who work together to fulfil the wishes of our clients around the world. It is mainly a team of architects, engineers, designers, graphic designers, renderers, technicians, international consultant, communication and logistics experts. These professionals work together to form a team of experts who tackle architectural projects of different types and scales. The firm's core business is based on design designing luxury and contemporary homes, showrooms, hotel, resorts, spa, health care, interior spaces and company restyling. Our work activities are also based on stand's designing and events.

In several years of activity, we have sharpened our creative abilities in various areas, from planning to execution and obviously work coordination. Innovative solutions, attention to the environment, constant and uncompromising quality, search for new forms and materials, have always been the foundation of timeless elegance, what we intend to be a contemporary lifestyle. We follow all the work phases from the beginning to last accurate details and we offer a completely support in all architectural and construction develop. One of our fundamental principles is to create a tailor-made project for our customers.

Our work is mainly based in country outside Europe like United Arab Emirates, India, Pakistan, Malesia, Qatar. We are strongly convinced that the interaction between cultures is the greatest form of enrichment and design stimulus. For this reason, we are always available to travel around the world and meet with pleasure our possible clients.

On the contrary we have always the pleasure to welcome you in our offices: in Italy in a beautiful renaissance villa located between Milan and lake Como or in Dubai in the exclusive Design District.

Let us make your dream come true.
